

# 2026 Sponsorship Opportunities

The Wisconsin Geothermal Association works to advance geothermal heating and cooling through education, workforce development, industry collaboration, and policy engagement. Sponsorship supports contractors, strengthens supply chains, and helps utilities and policymakers expand deployment of a proven, low-carbon energy solution.

Sponsors gain visibility, credibility, and meaningful engagement with the professionals and organizations shaping the future of geothermal energy in the region.

## Sponsorship

... demonstrates commitment to professionalism and industry advancement.

... strengthens relationships with contractors and installers.

.... provides an opportunity for direct engagement with contractors, distributors, and industry leaders.
